

Chunky Cable Arm Warmers

By Joan of Dark aka Toni Carr

I'm in love with arm warmers, I'm in love with chunky yarn, so of COURSE I'm going to love knitting chunky arm warmers! These have a really nice cable texture to make them stand out. They're a quick knit, so you can start them when the leaves start turning, and have them done before they hit the ground!

Difficulty Level: Intermediate. Need to know working in the round, picking up stitches and cables.
